Project Title: Sailor Tattoos
Wiki Link: https://en.wikipedia.org/wiki/Sailor_tattoos

Home Page/Introduction:
Introduction to the sailor tattoos , wth context and initial images

History:
Broken up by centuries starting with the origins then going to 18th, 19th, 20th and 21st century i would like to make a timeline on a page showing the timeline of the history

Design:
Talk about the traditional designs the sailors would get. Who would get them, significance etc. Additionally go over what the tattoos meant to the sailors (document achievement and experience) and address superstitions with the designs

Representation in Media and Citations:
This would be the last page, hereli would like to add what was the effect of these tattoos in the media and describe how they affected sailor depiction in the future. Additionally add citations below.
